

PMP® Exam Preparation with ECO 2021

January 2026

OFFICIAL PARTNER OF

Training Objectives

Understand the concept of Predictive and Adaptive project development

This is to ensure that each participant will have deep understanding of the training material, and also to ensure that they will be ready to take and pass PMP® exam at the 1st attempt.

Target Participants :

Project Manager or working in project with more than 3.5 years experience

It establishes and enhance participant's knowledge on all the 3 domains, 5 modules and 35 tasks as well as basic principles of AGILE

It also helps participants to apply and practice their knowledge of Project Management in real project environment
